SUMMARY

"I possess a unique combination of technological and business acumen, complemented by a strong foundation in accounting principles. This blend of skills allows me to bridge the gap between technical solutions and business strategies, enabling me to deliver data-driven insights, streamline operations, and drive organizational growth effectively."

EDUCATION

Bachelor of Science Information Technology

Apr 2022- Apr 2025

Rajarata University of Sri Lanka

- With a Bachelor's degree in Information Technology, I have developed proficiency in web development, Programming, and data analysis, enabling me to deliver scalable and secure solutions tailored to modern industry demands.

Member of Association of Accounting Technicians of Sri Lanka (MAAT)

Aug 2019- Present

Association of Accounting Technicians of Sri Lanka

- I am a MAAT-qualified accounting professional, having completed my AAT certification and subsequent professional training, demonstrating expertise in accounting, financial management, and auditing.

Diploma in Accounting & Business Studies

Apr 2022- Present

Certified Management Accountant of Sri Lanka (CMA)

- I am currently pursuing the Managerial Level at CMA Sri Lanka, further strengthening my expertise in management accounting, financial planning, and strategic decision-making.
-

WORK EXPERIENCE

Accounts Assistant

Jul 2021 - Aug 2022

- I worked as an Accounts Assistant at Stream Tech Innovation, Colombo, where I gained hands-on experience in financial reporting, bookkeeping, and account reconciliation while supporting day-to-day accounting operations.

Freelance Tutor

Jul 2020 - Apr 2024

- I worked as a freelance tutor, specializing in Business Environment for AAT students, providing academic guidance and helping them build a strong foundation in business concepts and practices to excel in their studies.
-

ADDITIONAL INFORMATION

- **Soft Skills:** Communication Skills, Leadership and Teamwork, Problem-Solving
